Principals Message

Welcome back!
A special welcome to all our new students and families to our school.
I hope everyone had a relaxing break and enjoyed the spectacular weather! It was great to see so many excited and enthusiastic students return to school.
As you are aware, classes have been formed and all children have settled well into daily routines. Can I thank all staff on their careful and considered thinking in forming these classes. Our Kindergarten children also commenced last Thursday and it has been fantastic to see all their smiling, happy faces.
As we start the new school year we have high expectations of our students and staff and a commitment to deliver the excellent public education that parents, carers and the community anticipate.
I am proud of our achievements at Murwillumbah Public School and look forward to a year of excellence and achievement.

School Uniform
The children all look fantastic in their uniforms (including black shoes). Congratulations to the parents who have ensured that ALL of their child’s items of clothing, drink bottle, lunchbox etc. etc. have been labelled with their name. Well done!!!!

Newsletters
Please note newsletters will once again be available on line this year. They are sent out each fortnight on a Wednesday.
You may also choose to download the School Stream app which will also direct you straight to all messages. Only those families who ask for a hard copy (if you requested one last year, you do not need to let us know again) will receive the newsletter in print which will be sent home with your eldest child each fortnight.

Staff Development
Yesterday afternoon Murwillumbah hosted a two hour professional development activity for around 110 teachers from several local schools.
We looked at the importance of effective teamwork in schools and the 10 vital attributes. We also investigated strategies for building trust. We are looking forward to next week where a second workshop will look at strategies for motivating and engaging students. The afternoon was a great success.

Kindergarten Best Start
This Friday and next Monday, our Kindergarten children will be involved in Best Start Assessment. This will involve individual students working one on one with Mrs Anderson and Mrs Price for around thirty minutes.
The Best Start initiative is an ongoing commitment in all schools. It is intended to ensure that all students are on track in their literacy and numeracy learning by Year 3.
The Best start Kindergarten Assessment is designed to identify each student’s literacy and numeracy skills and understanding at the beginning of Kindergarten. A full report will be sent home to parents of children in KA and KP later in the term.

School Welfare Policy
All parents can view our school welfare policy on the school website. This clearly outlines our school rules, strategies to promote good discipline and effective learning, practices
designed to recognise and reinforce student achievement and strategies for dealing with unacceptable behaviour.

At Murwillumbah Public School, we strongly believe that every child has the right to learn in an optimal learning environment and that teachers have a right to teach and therefore expect appropriate behaviour from our students and support from all areas of the school community in implementing our Welfare Policy.

**Voluntary School Contribution**
The voluntary school contribution is levied each year to help provide the range of equipment and materials needed by the children. These are set each year to help provide our students with the best possible education. They also represent a fair way of sharing costs associated with a modern school. Your contribution would be appreciated in the first weeks of Term 1. Receipts will be issued and should be retained for taxation purposes. Please complete details on the envelope issued to families and return it to the school when making your payment. If you are eligible for the education tax refund you could claim up to 50% back on your child’s education expenses. Please note that 2016 contributions are $35 per child or $50 per family.

**Around the school - School Expectations**
SHOW RESPECT - Allowing others to learn, respecting yourself, share friends and equipment and take turns.
BE RESPONSIBLE - Be accountable for your actions, be a good sport and play fairly, take care of your environment.
DO YOUR BEST - Set goals and strive to achieve them and be a positive role model.
STAY SAFE - Be in the right place at the right time, play safely and fairly.

**Permission to Publish**
A reminder for parents that if you DO NOT WANT your child to appear in any school pictures, newspaper articles or school website, you need to notify the school in writing to inform us of this decision.

**Whole School Assemblies**
Every Wednesday commencing at 2.15pm in the school hall we hold K-6 whole school assemblies. Weekly class awards, quality work presentations from each stage and other items are presented at this assembly. Parents are most welcome to join us.

**INDIVIDUAL HEALTH PLANS**
Many students at Murwillumbah PS have an Individual Health Plan because of a serious health or medical diagnosis. If your child has been admitted to hospital with asthma, suffers from severe allergic reactions or anaphylactic reactions to any substance, or suffers from any other serious health condition it is mandatory that a health plan be completed in consultation with the principal or assistant principal.
This is to ensure we have appropriate procedures in place to care for your child in case of an emergency.
Over the next week the health plans will be sent home to be reviewed then sent back with any additions, updates etc included. Please ensure these plans are returned within 48 hours so that we can ensure we have the correct procedures in place.
If your child fits into this category and they do not currently have an Individual Health Plan, please contact the school office to make an appointment to discuss the issue/s. Thank you for your support in this important matter.

**NOTIFICATION OF CONTAGIOUS AND TRANSMITTABLE DISEASES**
To protect the health and well-being of students with some very serious health conditions it is imperative that the school be notified through the school office if your child has been diagnosed with a contagious or transmittable disease eg measles, German measles, chicken pox, whooping cough etc. This enables us to contact the families concerned and alert them to any risks that can then be minimised. We greatly appreciate your support with following this procedure. Have a great week at school everyone.

LEADERS INDUCTION ASSEMBLY
Our school captains and all class leaders, music, sport, library, SRC will all be presented with their badges next Tuesday afternoon in the school hall 2:20pm. Parents are most welcome to attend this assembly and help present badges.

ANAPHYLAXIS AND ALLERGIC REACTIONS
What is anaphylaxis? Anaphylaxis is a severe and sometimes sudden allergic reaction. It can occur when a susceptible person is exposed to an allergen (such as a food or an insect sting). Reactions usually begin within minutes of exposure and can progress rapidly over a period of up to two hours or more. Anaphylaxis is potentially life threatening and always requires an emergency response.

Part of our responsibility at Murwillumbah School is to ensure that we have identified and reduced the risk of an anaphylaxis reaction occurring. We have put in place a range of strategies with this purpose in mind including the eating of lunch and fruit break occurring under the supervision of teaching staff. Staff have also completed mandatory training in emergency care for anaphylaxis. To further reduce a life threatening situation we ask that food products containing any kind of nut (ie both peanuts and tree nuts) not be brought to school but be saved for home time. For some of our students merely touching the hand of someone who has consumed nut products or a surface where food containing nuts has been placed on can cause an anaphylaxis reaction. We greatly appreciate our school community supporting this request to ensure the risk of a life threatening situation occurring is minimised as much as possible. We thank you for your understanding and support with this issue.

Canteen News
Welcome back to the new School Term. I hope everyone has had a good break and are happy to be back at School. If there are any parent helpers out there please contact me as soon as you can because I need as many helpers as possible to make the canteen open 3 days a week. Please message me on 0422698542 or leave your details with the girls at the front office. Your children will thank you for it. The work isn’t hard and most of the time we are finished by 2pm. Grandparents are always welcome helpers as well.

Please check the new Canteen Menu which will go out with the newsletter this week.
If you are ordering for RECESS could you please write out on a separate bag or piece of paper as re-writing out orders does take up quite a bit of time. If you don’t have a bag a written piece of paper is sufficient and I can stick it onto a bag. Please ensure that you include your child’s name AND class, as well as their lunch order and the enclosed amount.
If for any reason the item they have chosen is unavailable, a suitable replacement will be given at no extra cost, but for the most part I try to make sure everyone gets what is ordered if the money is correct.

This term I am trialling an Ice block token. Children can order a TNT or MONY ice block with their lunch order but instead of bringing back their bag to redeem their choice, a token will be put on their lunch order bag which they bring back to the canteen. This way if they forget to get it they can bring the token back at any time to receive their ice block. This way, in this HEAT, there is no melted ice blocks in their lunch orders!
Don’t forget, I always try to do something special for days like St Patricks day, State of Origin and other fun days in the terms. On these days we may have a colour theme or rainbow theme by doing up the canteen in the theme of the moment! The kids love it and I enjoy their enthusiasm. Their smiles are worth the extra effort! Here’s to a safe and happy School year.
Debbie Lowe – Canteen Supervisor.
